Sara is part of Hannes Snellman's cross-border IP & Technology practice.

Her focus is on data protection & privacy, IT/technology, intellectual property, media, marketing & consumer laws, retail/e-commerce and commercial agreements.

She has advised several clients operating in various industries with their GDPR-compliance work, including review of processing operations, data flow mapping and gap analysis as well as data protection impact assessments and data processing agreement negotiations. Sara has experience as an in-house lawyer following secondments with one of Sweden's largest telecom operators and with a Nordic alternative investment fund. She also advises on M&A in the IP & Technology field.
